Top Composite Averages

The high composite average list is calculated using pinfall in leagues for bowlers with 21 or more games in two or more leagues over the winter season. Averages earned in Sport or Challenge leagues are included. These averages are adjusted upward using the USBC Sport or Challenge conversion charts.

*To earn the Adult Men Madison Area High Composite Average award, qualifying averages must be from two or more leagues, in at least two centers, with 66 or more games bowled in each. Bowlers in bold qualify.

*To earn the Adult Women Madison Area High Composite Average award, qualifying averages must be from two or more leagues, in at least two centers, with 66 or more games bowled in one, and 21 or more games bowled in the other.

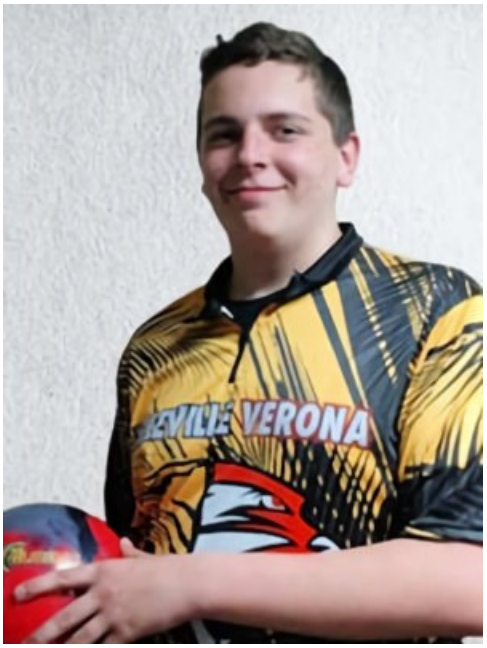
Madison Area Star of the Future

A youth bowler who distinguishes themselves through their exemplary character, sportsmanship, and contributions to the sport of bowling.

These individuals are often prominent in leadership roles and inspirational to others by their volunteer work, community service, sports and activities participation, and bowling achievements.



Justin Pauli

Justin is a true leader within the bowling and non-bowling environments. His dedication to building his high school bowling team this season was amazing. With his efforts at Belleville community festivities he promoted bowling and was able to get 7 new high school bowlers to join the Varsity and JV teams. Justin also strongly promotes his youth bowling program at Sugar River Lanes.

He is a high honor roll student and has served as an officer in both his FFA and 4H Programs. Justin's volunteer hours are many with many different organizations. He has served food at his local food pantry, helped mentor younger bowlers in his youth bowling program, and works with students that need help at school.

Justin has learned many things by volunteering in his community and finds volunteering very rewarding. In 2021 and 2022, he received United Nations Merit Award for Volunteerism which is an award given to a student who has completed an extensive amount of volunteer hours with many different organizations.

Madison Area Star of the Future

A youth bowler who distinguishes themselves through their exemplary character, sportsmanship, and contributions to the sport of bowling.

These individuals are often prominent in leadership roles and inspirational to others by their volunteer work, community service, sports and activities participation, and bowling achievements.

Tayler Baker

Tayler is a true leader and great role model for her high school bowling team and the Prairie Lanes youth bowling program. She has given many hours to helping younger bowlers expand their bowling skills and help her bowling team members, who are from four different schools, learn to be a cohesive team.

Tayler is a high honor student and has been involved with DECA and Student Council at her high school. Tayler has volunteered with many organizations serving food as fundraising opportunities for her bowling team. She has also volunteered to help with the State Youth and Open bowling tournaments that the Madison Association has recently hosted.

Tayler has become more confident in herself and a strong leader with all the activities she has been a part of. Her work ethic is very strong and became that way as she learned what was needed to accomplish her goals.

Madison Area Hall of Fame

The Madison Area USBC Hall of Fame is the union of four Halls. Inductees from previous organizations will have a designation after their name, indicating the Hall of Fame of their original induction. The membership total is 253.

MBA The Madison Bowling Association Hall of Fame began in 1972 and has 138 members*.

MWBA The Madison Women's Bowling Association Hall of Fame began in 1999 and has 39 members.

SWBA The Southwest Wisconsin Bowling Association Hall of Fame ran from 1986 to 2008, inducting 51 members*.

SWWBA The Southwest Wisconsin Women's Bowling Association Hall of Fame ran from 1988 to 1997, inducting 19 members.

**Norman L. Hanson is a member of both SWBA (1987) and MBA (1989).*
