Entering Averages

All bowlers will use their 2014-15 COMPOSITE average to determine handicap. This average will be entered and verified by the tournament director. The averages will appear on the tournament confirmation received by the team captain.

You can calculate YOUR composite average on Bowl.com, by using the "Find a Member" feature on the home page.

For this tournament, your composite average is determined by dividing the total pinfall from all certified USBC Red and USBC White leagues by the total number of games you bowled.
