FROM THE ASSOCIATION MANAGER

Welcome to the 2008-09 bowling season.

Tremendous change is underway for the sport of organized bowling. USBC headquarters is moving to Arlington, Texas after a 100+ year tenure in its original home in the Milwaukee area. The International Bowling Hall of Fame will also relocate there, joining the Bowling Proprietors Association, the International Bowling Pro Shop and Instructors Association, and other bowling integers in what is being termed an International Bowling Campus. The integration is intended to reduce cost, heighten visibility, and provide a better vehicle for driving the promotion and growth of the *Sport of Bowling*.

Look for change at the local level, too. Your local association, the Madison USBC Bowling Association (MBA), will join the USBC in the effort to create "bowlers for life". Bowling remains a tremendously popular sport. Each year, hundreds of new bowlers join leagues in our association alone, yet our membership is declining. They are simply not staying with the game.

It is our mission to partner with our local proprietors, pro shops, and other area bowling supporters to develop methods for retaining the bowlers who join organized play in the sport we love. We hope to make bowlers – new and experienced – understand and appreciate the long and storied history of bowling in our association; one that is steeped in tradition dating back to the early 1900's. We hope to serve them better and communicate with them more. We hope to provide ways for bowlers to get the most they can out of the game through coaching, competitive opportunities, and recognition.

Most importantly, we hope they not only enjoy the game, but become a part of the sport – and, in turn, make the sport a part of them.

By improving at every level of the organization from the USBC to the MBA to the recreational fun leagues, The *Sport of Bowling* can continue to offer a lifetime of excitement and memories for those who become a part of it.

We hope that you will join us in the effort to grow the *Sport of Bowling*. For ideas and opportunities, stay in touch with the MBA by subscribing to the E-Newsletter, visiting our website, or joining our online discussion forum. We would love to hear and share your success stories.

I look forward to working with you this year and hope that by working together, we can be successful in this era of change.

Have a great season,

Bill Dennis

Legion of Honor

The Legion of Honor was established in 1988 to honor both the memory and the records of deceased MBA members whose commendable service and/or bowling achievements may have been dimmed by the passage of time or by the performances of more contemporary bowlers. The Madison USBC Bowling Association accords its recognition of these meritorious individuals by naming them to deserved membership in its Legion of Honor.
