Your New Association for 2017-2018 – Madison Area USBC Association**Mission**

The Madison Area USBC Association ensures the integrity and protects the future of the sport, provides programs and services, and enhances the bowling experience.

Vision

The vision of the Madison Area USBC Association is to grow the sport of bowling.

Effective August 1, 2017, the Madison USBC Bowling Association will cease to exist.

The new local USBC association will be a merged entity known as the Madison Area USBC Association. This new association will serve all adult and youth bowling in Dane County, Iowa County and Sauk City as well as, for the time being, youth bowling in Jefferson County. The new association was formed by merging the Madison USBC Bowling Association, Madison USBC Women's Bowling Association, Madison Area USBC Youth, and the Southwest Wisconsin USBC Women's Bowling Association. The Southwest Wisconsin USBC Bowling Association joined the MBA two years ago. The new association will begin, and the existing organizations will cease, on August 1, 2017.

When the USBC was formed by merging the American Bowling Congress (ABC), Women's International Bowling Congress (WIBC), and Young American Bowling Alliance (YABA) in 2005, local associations were not required to merge their operations at that time. Locally, our associations have remained separate entities. Merger legislation has been considered at nearly every convention (at least since 2008) and earned more and more support each year. Finally, at the 2016 USBC National Convention, the delegation voted to require all local and state associations to merge by August 1, 2018. Through the diligence of your former association Presidents and the Transition Committee, your local merge is one year ahead of schedule.

The Madison Area USBC Association exists to serve bowling. The new board and committees are excited, energetic, and already working hard to develop programs and services to award and recognize bowlers, grow adult and youth leagues, and provide top-quality competitive opportunities for our members.

We look forward to providing our members with value for your membership dollars, and thank you for joining the USBC and the Madison Area USBC Association. You are supporting an organization that is more than rules, more than awards, and more than certification. You are supporting an organization that will work hard to improve the bowling experience for all, promote and market our sport, and consistently work to fulfill our vision to grow the sport of bowling.

You can find the officers and directors for the new Madison Area USBC Association on page six.

Effects of the Merger – Madison Area USBC Association**1. New Bowling Office and Information**

The new office address will be:

2. One Set of Dues

All adult membership dues have to be the same and that will be \$23.00. The local membership is \$10.00 and the USBC portion is \$13.00. This will represent a \$3.00 increase for former BA members, which is the USBC increase. The USBC hasn't increased dues in 12 years. It is a \$7.00 increase for WBA members, as their local fees go up \$5.00, USBC fees up \$3.00, and state fees are eliminated. There is no change in the youth national dues.

3. One League Application and Check.

Leagues no longer have to submit duplicate applications, separate cards, or write separate checks for adult association processing.

4. Tournament Update

For this season, tournaments will run roughly the same schedule as previous years with the exception being the Women's Association Championships slated for the first two weeks of February (formerly mid-January). You will see continuity in the tournaments in terms of entry forms, promotions, formats, entry fees, awards, and handicapping. The Dinner with the Champions will be offered to Women's tournament champions and titlists. We expect our sponsors to want to support the women's events as well.

5. Hall of Fame

The Halls of Fame will run separately as scheduled in 2017. Committees will be formed to determine the Hall of Fame process going forward.

6. Awards and Recognitions

Committees are still meeting, but early indications are the awards system will be modeled primarily after the BA Challenge Coin awards, a program with a focus on everything from first time achievements to tournament champions. Different products may be offered in addition to the coins, and the youth products are being reviewed. There will be additional bowler recognitions for women, too, mirroring the BA system with Bowlers of the Year, All-City Teams, High Average, and the others.

7. Other Changes

Any other changes will be reported as they are addressed. We will seek input from the membership, who will be regularly invited to join our efforts on committees assigned to special projects. Some of these may include additional philanthropic efforts, starting up new youth programs, development of new membership promotions, and so forth.

Legion of Honor

The Legion of Honor was established in 1988 to honor both the memory and the records of deceased MBA members whose commendable service and/or bowling achievements may have been dimmed by the passage of time or by the performances of more contemporary bowlers. The Madison USBC Bowling Association accords its recognition of these meritorious individuals by naming them to deserved membership in its Legion of Honor.
