Madison Area Star of the Future

A youth bowler who distinguishes themselves through their exemplary character, sportsmanship, and contributions to the sport of bowling.

These individuals are often prominent in leadership roles and inspirational to others by their volunteer work, community service, sports and activities participation, and bowling achievements.

Justin Pauli

Justin is a true leader within the bowling and non-bowling environments. His dedication to building his high school bowling team this season was amazing. With his efforts at Belleville community festivities he promoted bowling and was able to get 7 new high school bowlers to join the Varsity and JV teams. Justin also strongly promotes his youth bowling program at Sugar River Lanes.

He is a high honor roll student and has served as an officer in both his FFA and 4H Programs. Justin's volunteer hours are many with many different organizations. He has served food at his local food pantry, helped mentor younger bowlers in his youth bowling program, and works with students

that need help at school.

Justin has learned many things by volunteering in his community and finds volunteering very rewarding. In 2021 and 2022, he received United Nations Merit Award for Volunteerism which is an award given to a student who has completed an extensive amount of volunteer hours with many different organizations.

Madison Area Star of the Future

A youth bowler who distinguishes themselves through their exemplary character, sportsmanship, and contributions to the sport of bowling.

These individuals are often prominent in leadership roles and inspirational to others by their volunteer work, community service, sports and activities participation, and bowling achievements.

Taylor Baker

Taylor is a true leader and great role model for her high school bowling team and the Prairie Lanes youth bowling program. She has given many hours to helping younger bowlers expand their bowling skills and help her bowling team members, who are from four different schools, learn to be a cohesive team.

Taylor is a high honor student and has been involved with DECA and Student Council at her high school. Taylor has volunteered with many organizations serving food as fundraising opportunities for her bowling team. She has also volunteered to help with the State Youth and Open bowling tournaments that the Madison Association has recently hosted.

Taylor has become more confident in herself and a strong leader with all the activities she has been a part of. Her work ethic is very strong and became that way as she learned what was needed to accomplish her goals.
