Top Composite Averages

The high composite average list is calculated using pinfall in leagues for bowlers with 21 or more games in two or more leagues over the winter season. Averages earned in Sport or Challenge leagues are included. These averages are adjusted upward using the USBC Sport or Challenge conversion charts.

*To earn the Adult Men Madison Area High Composite Average award, qualifying averages must be from two or more leagues, in at least two centers, with 66 or more games bowled in each. Bowlers in bold qualify.

*To earn the Adult Women Madison Area High Composite Average award, qualifying averages must be from two or more leagues, in at least two centers, with 66 or more games bowled in one, and 21 or more games bowled in the other.
